三、阅读理解（本大题共 15 小题，每小题 2 分，满分 30 分）

A

Chinese folk stories have long been a source of wisdom and inspiration, carrying timeless lessons through great stories. Among there, here are three stories stand out for their touching and inspiring characters.

	Yu Gong, an old man decided to move two huge mountains stopping his village's road. Though being laughed at and told it was impossible, Yu Gong kept trying, believing that even if he couldn't complete it, his family would continue the effort. His story teaches us the power of fighting for something and the importance of setting good examples for the other people.
	Hou Yi, a skilled archer who saves humans from the scorching heat of ten suns by shooting down nine of them. This act of bravery not only cools the earth but also highlights the actions to protect our world and the people we care about. Hou Yi's story inspires us to face the challenges with courage and skill.

In this story, the sky fell down, causing problems on Earth, NǚWā, a kind goddess, decided to fix the sky to save the world. She collected stones from a river and used them to rebuild the sky. Also, she killed a huge turtle to use its legs as pillars to support the sky. Her actions returned peace and order to the world.

21. What's the lesson from Yu Gong's story?
A. Moving the village. B. Trying the best. C. Laughing at people. D. Fighting for food.
22. Hou Yi shot down nine suns because of _____.
A. a falling sky B. two huge mountains C. the cooling earth D. the high heat
23. What's the most important thing for Nǚ Wā?
A. Some light. B. Some mountains. C. Some stones. D. Some water.
24. What do the characters have in common?
A. They were from the rich family of ancient times.
B. They used their own super power to save the world.
C. They were brave to overcome the difficulties in life.
D. They followed their leaders and solved the problems.
25. Which part of the library is the passage probably from?
A. Modern sports. B. Ancient books. C. Travel guides. D. Folk inventions.

B

Once upon a time, a great hero, Da Yu, cut a mountain with his magic sword (剑) and made a way. It was called the Dragon Gate, a place with magic. The Yellow River ran through it.

Every spring, water ran from the top of the mountain into the river. The water made great waves and big noise. The sound scared all the animals on the mountain.

Although the carps (鲤鱼) in the river were small, still they were not afraid. They tried to jump over the waves toward the Dragon Gate without fear. They dreamed of making their way to the Dragon Gate. There, a miracle (奇迹) waited for them.

The carps began to jump, but one after another they began to fall. They tried but couldn't get to the Dragon Gate.

Soon there was just one little golden carp left, keeping jumping. He jumped higher and higher. He jumped over the highest wave. Finally, he jumped across to a cloud! He had made it to the Dragon Gate! He could see colorful clouds. He could see the sky. It was beautiful!

Then the little carp felt strange. He looked back at his tail. It grew and sparked (冒火花) and it was on fire! Suddenly, it began to rain heavily. The rain put out the fire on the carp's tail.

The little carp looked back again. His fish tail was gone. His body had changed. Golden scales (鳞) covered his body. He was not a fish anymore!

The little carp had turned into a golden dragon! He was made of magic! It was a miracle!

26. What can we learn about the Dragon Gate?

- A. Hou Yi made it with his sword. B. It was a good place full of magic.
C. The Yangtze River ran through it. D. It was a real gate only for carps.

27. Which of the following words can best describe the carps according to Paragraph 3?

- A. Stupid. B. Magic. C. Nervous. D. Brave.

28. What happened to the little carp after getting to the Dragon Gate?

- A. It became a dragon. B. It learned to rain.
C. Its head was on fire. D. Its tail stopped growing.

29. Which is TRUE according to the passage?

- A. Only the little golden carp was good at jumping.
B. The little carp knew a lot about the Dragon Gate.
C. It's difficult for the carp to get to the Dragon Gate.
D. Most carps succeeded in jumping across the Dragon Gate.

30. What's the best title of the passage?

- A. All Roads Lead to Rome B. Many Hands Make Light Work
C. A Good Medicine Tastes Terrible D. Where There Is a Will, There Is a Way

C

Ancient China amazed the world with its wisdom. Some of its inventions continue to influence us today. Four Chinese irrigation sites (灌溉点) were added to the 2018 list of World Heritage Irrigation Structures (世界灌溉工程遗产). Let's take a look at these amazing sites.

Dujiangyan

Dujiangyan is a wonder in the world history of irrigation structures. More than 2,000 years ago, Chengdu was in danger because of flood from the Minjiang River. Li Bing, a local official, designed the Dujiangyan irrigation system, which could control the water run from the mountains to the Chengdu Plain all year round.

Changqu Canal

Changqu Canal, also known as Baiqi Canal, is in the city of Xiangyang in Hubei Province. It is 48 km long in total and it was first used to transport soldiers. It was later used for irrigation-in fact, it is still used to provide water to more than 30,000 *mu* (20 square km) of farmland.

Lingqu Canal

Located in Xing'an County, Guangxi, Lingqu Canal was built 2,000 years ago. It is the oldest canal in the world. It was built to transport things for the army. "It magically lowers the pressure of transportation along the north and south waterways," according to the *Travel China Guide*. It also turned Xing'an into an agriculturally (农业上) developed area.

Jiang-Xi Dam

The Jiang-Xi Dam in Zhejiang Province in fact includes two dams-the Jiang and Xi dams. Built in the 14th century, it improved life for local people for centuries. It not only plays an important role in irrigation, but also is good for environmental protection.

31. Which was built to fight against water?

- A. Dujiangyan. B. Changqu Canal. C. Lingqu Canal. D. Jiang-Xi Dam

32. Which is TRUE about Changqu Canal?

- A. It is also called Baiqi Canal. B. It is still important for the army.
C. It was first built for the farmland. D. It was later used to transport soldiers.

33. What can we know about Lingqu Canal?

- A. Why and how it was built. B. When and why it was built.
C. When and how it was built. D. Where and how it was built.

34. Which of the following is the youngest irrigation system?

- A. Dujiangyan B. Lingqu Canal C. Jiang-Xi Dam D. Changqu Canal.

35. What's the purpose of the passage?

- A. To give advice on controlling the water.
B. To show ancient Chinese wisdom to the world.
C. To introduce the long and rich Chinese history.
D. To introduce how four Chinese irrigation sites was built.

四、阅读填空 (本大题共 5 小题, 每小题 1 分, 满分 5 分)

阅读下列短文, 从短文后 A-F 选项中选出能填入空白处的最佳选项, 使短文意思完整、连贯。选项中有一项为多余选项。

Song Lian was a famous scholar in the Ming Dynasty. He enjoyed reading very much when he was young. 36 For this reason, he had to borrow books from others.

Every time he borrowed a book, Song always gave it back on time. He once liked a book very much and wanted to copy (抄写) it down. But he had to give the book back the next day, so he copied it all night. 37 She said, "The weather is so cold. Even if you don't give the book back on time, the owner will understand." But Song answered, "A person must keep his word. 38"

After saying that, Song kept on copying the book. The weather was so cold that the ink (汁) was frozen (结冰的) and his fingers could hardly move, but he didn't stop. 39 The owner was very touched and told him, "You are a trustworthy (值得信任的) and hard-working child. From now on, if you want to read any book, just come and take it."

40 They were willing to lend their books to him. Song was very happy that he had lots of books to read.

- A. His mother was worried about him.
- B. As soon as he finished, Song gave the book back.
- C. However, his family was too poor to buy him books.
- D. Soon, everyone knew about this and spoke highly of Song.
- E. How can I break my promise just because of the cold weather?
- F. People asked him to return the book as soon as possible.

五、阅读填空 (本大题共 5 小题, 每小题 1 分, 满分 5 分)

配对阅读。上栏是五个人的情况介绍, 下栏是七个中国古代故事所蕴含的道理, 请为每个人匹配与他们最相关的道理。

41 Lucy is active and kind. She has many like-minded friends. When her friends feel sad, she is always at their side to cheer them up.
