14. A. prize B. responsibility C. value D. interest

15. A. successfully B. luckily C. carelessly D. lonely

十、阅读理解

A

Who is the most famous artist in the world? If not Leonardo da Vinci, it might be Pablo Picasso (毕加索).

Picasso (1881-1973) was one of the most famous artists of the 20th century. He had a talent for drawing.

Born in Spain, Picasso showed his talent at an early age. He first learned painting from his father, who was an art teacher. By the time he was 13, he could draw better than his father.

He could draw and paint just about anything, and in any style. He liked to try out new ideas. People put his life and art into different periods. One of his most famous periods was his Cubist period. Cubism is when an artist paints things, like a bottle, from many different angles (角度) all in the same picture. So, you see the front, the back and the sides of the bottle all at the same time. In a way, it is a bit like having x-ray (透视) eyes.

This new way of painting surprised the art world in the 20th century. Picasso has become an idol (偶像) to many artists nowadays. People say he helped us see the world in new ways.

So do you want to see the art of Picasso? On August 14th, an exhibition (展览) opened in Shanghai.

It shows 103 of his works. The exhibition will last until October 31st. But it will not be available to the public on weekends. If you are fond of Picasso's work, don't miss this great chance!

1. Which of the sentence about Picasso is NOT true?

- A. He was one of the most famous artists of the 20th century.
- B. He could draw better than his father in 1890.
- C. He was born in Spain.
- D. His first teacher was his father.

2. What does the underlined word “Cubism” in Paragraph 4 mean?

- A. 立体派 B. 印象派 C. 现实主义 D. 浪漫主义

3. What do people think of his new painting style?

- A. It made Picasso become hard to understand.
- B. The style is like having C-ray eyes.
- C. The style helped people see the world in new ways.
- D. The style was not popular in the art world.

4. How long will the exhibition last?

- A. About 4 months.
- B. Less than 2 months.
- C. Over 3 months.
- D. Less than 3 months.

5. What is the purpose of this passage?

- A. To introduce Picasso and his life experience.
- B. To introduce Picasso and call for people to the exhibition.
- C. To show that Picasso still enjoys great popularity.
- D. To show the biggest Picasso exhibition ever.

B

① Throughout history, people have always looked for knowledge. This led to the creation of many important encyclopaedias.

Ancient Rome

② The earliest encyclopaedia on record is *Natural History* by Pliny. He wrote about his knowledge of ancient Rome. Although many of his writings were true, some were hard to believe, like the Sciapodae people with one foot as big as an umbrella! However, Pliny never finished improving his work because he went to Pompeii in 79 A. D. to visit Mount Vesuvius and died in the eruption (火山爆发).

Ancient China

③ From the 10th to the 17th centuries, the Chinese government asked many clever people to make

encyclopaedias. In the 11th century, they wrote *Four Great Books of Song* to collect all the information about the new Song dynasty. In 1408, China completed *Yongle Encyclopaedia*. It was the largest encyclopaedia until Wikipedia came along about six hundred years later.

Enlightenment Ideas (启蒙思想)

④ When printing became common, encyclopaedias grew popular and important. During the Enlightenment, a famous encyclopaedia called *Encyclopédie* came out in France in 1751. Editor Diderot wanted it to “change the way people think” and help the rising middle class teach themselves. Also, the ideas in the book encouraged people to question the king's rule. This helped lay the cultural foundation (基础) for the French Revolution (法国大革命).

The Internet Age

⑤ As the world went online, knowledge grew, too. Internet encyclopaedias started in the early 1990s. By 2001, Wikipedia came out. In 2004, it became the biggest encyclopaedia with 300, 000 articles. By 2022, it had 6.5 million articles with pictures, videos, and more, making a lot of information easy to find online.

1. What was the earliest encyclopaedia on record?

- | | |
|-----------------------------|--------------------------------------|
| A. <i>Natural History</i> . | B. <i>Four Great Books of Song</i> . |
| C. <i>Encyclopédie</i> . | D. <i>Yongle Encyclopaedia</i> . |

2. What was the largest encyclopaedia worldwide in the early 1980s?

- | | |
|--------------------------------------|--------------------------------------|
| A. <i>Wikipedia</i> . | B. <i>Four Great Books of Song</i> . |
| C. <i>Encyclopaedia Britannica</i> . | D. <i>Yongle Encyclopaedia</i> . |

3. What can we infer from the fourth paragraph?

- A. French people were stupid at that time.
- B. *Encyclopédie* was an English encyclopaedia.
- C. *Encyclopédie* challenged the traditions of its time.
- D. The development of printing did not help people learn.

4. What can we learn from the history of encyclopaedias?

- A. People have never stopped looking for and sharing knowledge.
- B. Only intelligent and knowledgeable people can make encyclopaedias.
- C. Europe was the world's education centre over the past two thousand years.
- D. Europeans and Chinese could not exchange information until the Internet age.

5. Where can you most probably find this article?

- | | |
|-----------------------|--------------------------|
| A. From a story book. | B. From an art magazine. |
|-----------------------|--------------------------|

C. From a newspaper.

D. From a learning website.

基础过关练

一、语音考查

写出下列句子中需要重读的单词

1. I hope his dream comes true.

2. The garden is the best place to grow flowers.

3. I live in a flat in the centre of Nanjing.

4. There is a new mall down the street.

5. We practice after school on Wednesday afternoon.

6. My classroom is on the ground floor.

【答案】 1. hope; dream; comes; true 2. garden; best; place; grow; flowers 3. live; flat; centre; Nanjing
4. new; mall; street 5. practice; school; Wednesday; afternoon 6. classroom; ground; floor

【解析】 1. 在 I hope his dream comes true.这个句子中, 需要重读的应是动词, 名词和动词短语, 故为 hope; dream; comes; true。

2. 在 The garden is the best place to grow flowers.这个句子中, 需要重读的是名词, 形容词和动词, 故为 garden; best; place; grow; flowers。

3. 在 I live in a flat in the centre of Nanjing. 这个句子中, 需要重读的是动词和名词, 故为 live; flat; centre; Nanjing。

4. 在 There is a new mall down the street. 这个句子中, 需要重读的是形容词和名词, 故为 new; mall; street。

5. 在 We practice after school on Wednesday afternoon. 这个句子中, 需要重读的是动词和名词, 故为 practice; school; Wednesday; afternoon。

6. 在 My classroom is on the ground floor.这个句子中, 需要重读的是名词, 故为 classroom; ground; floor。

二、根据首字母写出单词

1.The b_____ of a new baby brings happiness to the whole family.

2. He talked about his s_____ during the war, and everyone listened quietly.
3. She ate a p_____ of chocolate cake after dinner and felt very happy.
4. This is my o_____ pencil case, and the blue one is a gift from my friend.
5. People should learn to respect life and understand the meaning of d_____.
6. Many people a_____ the famous singer for her beautiful voice and kind heart.
7. We can c_____ a new game together if we work as a team.
8. Parents' words and actions can i_____ their children deeply.
9. My sister wants to be a fashion d_____ when she grows up.
10. A p_____ studies how the universe works and the laws of nature.

【答案】1.birth 2.suffering 3.piece 4.original 5.death 6.admire 7.create 8.influence
9.designer 10.physicist

三、补全对话

S1: 1. _____

S2: I admire Qian Xuesen. He was a great Chinese scientist in the 20th century.

S1: 2. _____

S2: He was a scientist in aerospace and technology and helped China develop its first missiles and satellites.

S1: What contributions did he make to China?

S2: 3. _____

S1: What do Chinese people often call him?

S2: People often call "the father of China's aerospace" and "king of rocket"

S1: 4. _____

S2: People admire him because he devoted himself to developing Chinese aerospace and technology and made great contributions to the country.

S1: How do you know this information?

S2: 5. _____

A. I learnt it by reading an encyclopaedia about him.

B. Which person in history do you admire?

C. His work made China stronger in science and technology.

D. What did he do?

E. Why is he admired by Chinese people?

【答案】BDCEA

四、听选信息

听选信息 1

1. Who is Jim's report about?

(Michael Jordan. / Jackie Chan. / Kobe Bryant.)

2. What is Lily going to do first?

(Do her homework. / Play basketball. / Write a report.)

听选信息 2

3. How many painters have the speakers mentioned?

(One. / Two. / Three.)

4. Where are the speakers probably?

(In a library. / In an art museum. / In a bookshop.)

5. Which competition will the girl enter?

(The English Speech Competition. / The Singing Competition. / The Knowledge Competition.)

6. What can the winner of the Singing Competition get?

(A new encyclopaedia. / Two tickets to a concert. / A free trip to the Canton Tower.)

听力原文及答案

听选信息 1

W: Hi, Jim. What are you doing now?

M: I'm writing my English report.

W: Oh, I almost forgot the homework. Who is your report about?

M: I chose Jackie Chan. What about yours, Lily?

W: Hmm ... I plan to write about Michael Jordan or Kobe Bryant. But I'm going to play basketball first before I decide whom to write about.

M: Haha ... I know you're a super basketball fan.

【答案】1. His report is about Jackie Chan./About Jackie Chan./Jackie Chan.

2. She's going to play basketball./Lily is going to play basketball first./ play basketball

听选信息 2

M: Lisa, look at this painting. How beautiful it is!

W: Wow! I love the sunflowers in it. Do you know who painted it?

M: I have no idea. Wait! It reads Sunflowers by Van Gogh on the card.

W: That must be a great painter. Oh, I know this one. It's Mona Lisa by Da Vinci.

M: Yes, you're right. I saw it in a book in our school library. It's very famous. Hmm ... I think we

听力

should be quiet because other visitors are also enjoying the paintings.

W: OK. I agree.

【答案】3. They have mentioned two painters./Two painters./Two.

4. They are probably in an art museum./They're in an art museum./In an art museum.

听选信息 3

W: Which competition are you going to take part in, John?

M: I haven't decided yet. I will make a choice between the English Speech Competition and the Singing Competition.

W: Yeah, I know you're good at both of them. For me, the Knowledge Competition is the right choice.

M: Indeed, you know quite a lot about the world. And I heard that the winner will get a new encyclopaedia.

W: Yes, and that's what I want. What are the prizes for the winners of the Singing Competition and the English Speech Competition?

M: They are two tickets to a concert and a free trip to the Canton Tower respectively.

W: Wow! That sounds cool. Then I think you can enter both of them.

M: Good idea. And then I will have to work hard for them.

【答案】5. She will enter the Knowledge Competition./The Knowledge Competition.

6. The winner of the Singing Competition can get two tickets to a concert.

/The winner can get two tickets to a concert./Two tickets to a concert.

五、回答问题

7. How many kinds of elephants are there now?

8. Where can we find elephants?

9. What do elephants mainly eat?

10. Why should we try to protect elephants?

听力原文及答案

听力

Elephants are the largest animals on land. They can be three or four meters tall. Now there are two kinds of them: the African elephant and the Asian elephant. These elephants can only be found in hot places. They live in groups in forests or on grassland. So they mainly eat tree leaves and grass. Some elephants in China eat bamboo.

Elephant are very smart and friendly. In Asia, people train them to do many things. They can help people carry heavy things and even look after babies. Many of them are also trained to perform in different shows or for riding. But that will do harm to their health. Now elephants are in great danger, so

we should try to protect them.

【参考答案】

7. There are two kinds now./There are two./Two kinds./Two.

8. We can find them in hot places./They can be found in forests or on grassland in hot places.

In hot places./In forests or on grassland in hot places.

9. They mainly eat tree leaves and grass./They eat tree leaves and grass.

Tree leaves and grass./Grass and tree leaves.

10. Because they are in great danger./Because they are in great danger now.

Because they're in great danger./Because they're in great danger now.

Mike's Favourite Book

Hi, everyone. I'm Mike, a middle school student from China. I would like to tell you something about my favorite book, the encyclopaedia. When I was five, I got my first encyclopaedia. I became interested in it at once because there were many beautiful pictures in it. And I began to learn about things in our life, such as the Sun, the Earth, the animals, the mountains and the rivers. Then I got another encyclopaedia last summer holiday. The books are big and thick, but more useful. I can learn much more

about our country and the world. I am amazed by all the wonderful things. And I hope I can travel around the world one day.

【参考答案】

Mike is a middle school student from China. He wants to tell us something about his favorite book, the encyclopaedia. When he was five, he got his first encyclopaedia. He became interested in it at once because there were many beautiful pictures in it. And he began to learn about things in our life, such as the Sun, the Earth, the animals, the mountains and the rivers. Then he got another encyclopaedia last summer holiday. The books are big and thick, but more useful. He can learn much more about his country and the world. He is surprised by all the wonderful things. And he wishes to travel around the world one day.

七、短文填词

A 短文填词

Nie Er: A Great Chinese Composer

Nie Er was a famous Chinese composer. His 1.o_____ name was Nie Shouxin. He was born on February 14, 1912, in Kunming, Yunnan. During his short life, he saw much 2.s_____ in China during the war, which made him want to help people through music.

Nie Er created many popular songs, and his most famous work is The March of the Volunteers, which later became China's 3.n_____ anthem. Sadly, he died at the young age of 23 in 1935, but his music has had a great 4.i_____ on Chinese people.

Today, people still 5.a_____ Nie Er for his talent and love for the country. His songs not only showed his care for people's lives but also encouraged many to fight for a better future. Though he lived a short life, his music remains alive in everyone's heart.

【答案】1.original 2.suffering 3.national 4.influence 5.admire

B 语法填空

Qian Xuesen was a pioneer in the development of China's aerospace (航空航天) science and technology. He was called the "father of China's aerospace" and "king of rockets". He was also one of the most famous ____1____ (scientist) in the world.

Qian was born in Shanghai ____2____ 11 December 1911. After graduating from Shanghai Jiao Tong University, he went to America for ____3____ (far) study. After this, he spent many years ____4____ (teach) and doing research work at universities in the USA. And he made excellent achievements in America. ____5____, his heart was always with his motherland. In 1955, he finally returned to China with his family.

After returning to China, Qian led his team to overcome a series of difficulties and achieved many historic achievements. Qian worked with _____ 6 _____ (thousand) of other scientists on China's "two bombs, one star" nuclear program ("两弹一星"核项目). They created the atom bomb (原子弹) and later the hydrogen bomb (氢弹) _____ 7 _____ (success). They managed to complete this project in the fastest time in history.

Qian devoted _____ 8 _____ (he) whole life to China's aerospace industry. He wanted to use his knowledge _____ 9 _____ (build) a stronger China. He often says that science _____ 10 _____ (have) no boundaries (边界), but scientists have their motherlands.

【答案】1. scientists 2. on 3. further 4. teaching 5. However 6. thousands 7. successfully 8. his 9. to build 10. has

【解析】本文主要介绍了钱学森的经历及其对国家的贡献。

1. 句意：他也是世界上最著名的科学家之一。one of the+形容词最高级+名词复数“……中最……之一”，固定用法。故填 scientists。

2. 句意：钱 1911 年 12 月 11 日出生于上海。由“11 December 1911”可知，此处指具体时间，应用介词 on。故填 on。

3. 句意：从上海交通大学毕业后，他去了美国深造。由“After graduating from Shanghai Jiao Tong University, he went to America for...study”可知，此处指更进一步的学习，应用比较级。故填 further。

4. 句意：此后，他在美国的大学里从事教学和研究工作多年。spend time doing sth.“花费时间做某事”，固定搭配。故填 teaching。

5. 句意：然而，他的心始终与祖国在一起。由“And he made excellent achievements in America. ..., his heart was always with his motherland”可知，前后句是转折关系，虽然他在国外，但他的心始终与祖国在一起，应用 however“然而”来连接，位于句首首字母需大写。故填 However。

6. 句意：钱和其他数千名科学家一起参与了中国的“两弹一星”核项目。thousands of“数千的”，固定搭配。故填 thousands。

7. 句意：他们成功地制造了原子弹，后来又制造了氢弹。分析句子可知，此处应用副词修饰动词 created。故填 successfully。

8. 句意：钱把他的一生都献给了中国的航空航天事业。由“...whole life”可知，此处应用形容词性物主代词表示他的一生。故填 his。

9. 句意：他想用他的知识来建立一个更强大的中国。use sth. to do sth.“用……做……”，固定用法。故填 to build。

10. 句意：他常说，科学没有国界，但科学家有自己的祖国。由“but scientists have their motherlands”可知，句子为一般现在时，science 作主语，谓语动词用第三人称单数。故填 has。

八、语法选择

When Robert Goddard was 17 years old, he climbed a cherry tree to cut its dead branches. He looked around and imagined ____1____ into space, maybe even to Mars. The year was 1899.

As a child, Goddard loved reading. Because he was a sick child, he didn't ____2____ from high school. He often visited the library to borrow books ____3____ physical sciences. In his free time, he built rockets and took them to ____4____ field, but they didn't fly.

In 1920, Goddard wrote an article about rocket travel. When the New York Times saw his article, a reporter wrote that Goddard had ____5____ knowledge about science than a high school student.

In 1926, Goddard built a ten-foot rocket, put ____6____ into an open car, and drove to a field on his aunt's nearby farm. He lit the fuse, and the rocket ____7____ into the sky. It traveled at ____8____ per hour to an altitude of 41 feet, ____9____, it fell into the field. The flight lasted 2.5 seconds, ____10____ made the U.S. government not show much interest in Goddard's ____11____.

Over the years, his rockets ____12____ grow to 18 feet and fly up to 9,000 feet. No one made fun of him ____13____ he was successful. In fact, he became known as the father of modern rocketry.

Goddard didn't live ____14____ space flight. He died in 1945, but his work wasn't ended. ____15____ scientists continued to build bigger and better rockets. In 1969, the American rocket Apollo II took the first men to the moon. At that time, the New York Times wrote about its 1920 article "The Times regrets the error."

- | | | | |
|------------------|-------------|--------------|----------------|
| 1. A. go | B. goes | C. to go | D. going |
| 2. A. graduating | B. graduate | C. graduated | D. graduation |
| 3. A. on | B. for | C. in | D. at |
| 4. A. a | B. an | C. the | D. / |
| 5. A. much | B. more | C. little | D. less |
| 6. A. it's | B. itself | C. it | D. its |
| 7. A. has sent | B. sent | C. was sent | D. was sending |
| 8. A. 60-mile | B. 60 miles | C. 60-miles | D. 60 miles' |
| 9. A. unlucky | B. lucky | C. luckily | D. unluckily |
| 10. A. that | B. what | C. which | D. it |

| 12. A. could | B. would | C. might | D. should |
| 13. A. when | B. after | C. before | D. if |

14. A. to be seen B. saw C. seeing D. to see
 15. A. Other B. Another C. The others D. The other

【答案】1. D 2. B 3. A 4. A 5. D 6. C 7. C 8. B 9. D 10. C 11. C 12. A 13. B 14. D 15. A

【解析】本文是一篇记叙文，主要介绍了美国的火箭之父罗伯特·格尔德梦想之路。格尔德从小喜欢物理科学，工作后利用闲暇时间建造火箭，在理论和实践上做了很多工作，向怀疑他的设想的人们证明，未来的整个航天事业都将建立于火箭技术之上。

1. 句意：他环顾四周，想象着进入太空，甚至可能去火星。

go 去，原形；goes 去，三单形式；to go 去，不定式；going 去，现在分词/动名词。imagine doing sth“想象做某事”，固定短语，故选 D。

2. 句意：因为他是一个患病的孩子，他没有从高中毕业。

graduating 毕业，现在分词/动名词；graduate 毕业，动词原形；graduated 毕业，过去式/过去分词；graduation 毕业，名词。助动词 didn't 后跟动词原形，故选 B。

3. 句意：他经常去图书馆借阅物理科学方面的书籍。

on 关于；for 为了；in 在……里；at 在。根据“books physical sciences”可知，此处指有关物理科学方面的书籍，故选 A。

4. 句意：在空闲时间，他制造火箭并把它们带到野外，但它们没有飞起来。

a 不定冠词，表泛指，修饰以辅音音素开头的单词；an 不定冠词，表泛指，修饰以元音音素开头的单词；the 定冠词，表特指；/ 不填。空后是以辅音音素开头的单数名词 field，此处表示泛指，所以用 a 修饰，故选 A。

5. 句意：当《纽约时报》看到他的文章时，一位记者写道，戈达德对科学的了解还不如一个高中生。

much 许多；more 更多；little 少得几乎没有；less 较少。根据 than 可知，空处用比较级，结合“Because he was a sick child, he didn't ...from high school.”可知，他没有毕业，所以应是说他的知识量比高中生少，故选 D。

6. 句意：1926 年，戈达德造了一个 10 英尺高的火箭，把它放进一辆敞篷汽车里，开到他姑妈附近农场的一块地里。

it's 它是；itself 它自己；it 它；its 它的。空处在句中作宾语，所以用宾格代词 it，故选 C。

7. 句意：他点燃了引信，火箭飞上了天空。

has sent 现在完成时；sent 发送，过去式/过去分词；was sent 一般过去时的被动语态；was sending 过去进行时。主语 the rocket 和谓语动词 send 之间是被动关系，表示“火箭被发送”，结合“lit”可知，时态是一般过去时，所以此处用一般过去时的被动语态，故选 C。

8. 句意：它以每小时 60 英里的速度飞行，飞行高度为 41 英尺，不幸的是，它掉进了地里。

60-mile 60 英里的，作定语；60 miles 60 英里；60-miles 错误表达；60 miles' 60 英里的，名词所有格。根据“at ...per hour”可知，这里是介绍速度，所以空处应填名词短语作宾语，故选 B。

9. 句意：它以每小时 60 英里的速度飞行，飞行高度为 41 英尺，不幸的是，它掉进了地里。

unlucky 不幸的；lucky 幸运的；luckily 幸好，侥幸；unluckily 不幸地。根据“it fell into the field.”可知，掉进了地里，是不幸的一件事，空处在句中作状语应用副词，故选 D。

10. 句意：这次飞行持续了 2.5 秒，这使得美国政府对戈达德的发明不太感兴趣。

that 引导限制性定语从句，在句中作主语或宾语，先行词是人或物；what 什么，不能引导定语从句；which 哪一个，可引导非限制性定语从句，在句中作主语或宾语，先行词是物；it 它。本句是定语从句，空处在句中作主语，空前由逗号隔开，所以应是非限制性定语从句，应用 which 指代“The flight lasted 2.5 seconds”这件事，故选 C。

11. 句意：这次飞行持续了 2.5 秒，这使得美国政府对戈达德的发明不太感兴趣。

invent 发明，动词原形；invented 发明，动词过去式/过去分词；invention 发明，单数；inventions 发明，复数。空处在句中作宾语，所以用名词，根据“Goddard built a ten-foot rocket”可知，这是一个发明，所以用单数，故选 C。

12. 句意：多年来，他的火箭可以增长到 18 英尺，飞行高度可达 9000 英尺。

could 能；would 将会；might 可能；should 应该。根据“his rockets ... grow to 18 feet”可知，此处指能够，表示能力，用 could。故选 A。

13. 句意：他成功后没有人取笑他。

when 什么时候；after 在……以后；before 在……之前；if 如果。根据“In fact, he became known as the father of modern rocketry.”及语境可知，应是成功后没人取笑他，故选 B。

14. 句意：戈达德没能活着看到太空飞行。

to be seen 不定式的被动式；saw 看见，过去式；seeing 看见，现在进行时/动名词；to see 看见，不定式。live to do sth“活着做某事”，此处指，他没能活着看到太空飞行，故选 D。

15. 句意：其他科学家继续制造更大更好的火箭。

Other 其他的，后跟可数名词复数形式；Another 泛指的一个，后跟单数名词；The others 其他人；The other（两者中的）另一个，后跟单数名词。空处作定语修饰复数名词 scientists，所以用 other，故选 A。

九、完形填空

When I was in Grade Three, I was chosen to be the princess in the school play. For weeks, my mother had helped me practise my words. But once on stage, every word _____ 6 _____ from my head. Then my teacher asked me to change my role to be a narrator (讲述者) for the play. Though I didn't tell

my mother what had happened that day, she noticed my _____ 7 _____ and asked if I wanted to take a walk in the garden.

It was a lovely spring day. We could see dandelions (蒲公英) coming out through the grass in bunches. I watched my mother bend down by one of the bunches. “I think I’ll remove all these weeds (野草),” she said. “From now on, we’ll _____ 8 _____ have roses in our garden.”

“But I like dandelions,” I said. “All flowers are _____ 9 _____ even dandelions!”

My mother _____ 10 _____ me seriously. “Yes. Every flower gives pleasure in its own way, doesn’t it?” she asked thoughtfully. I nodded. “And the same as _____ 11 _____,” she said.

When I _____ 12 _____ that she had guessed my pain, I started to cry and told her the _____ 13 _____. “But you will be a wonderful narrator,” she said, reminding me of how much I loved to read stories aloud.

Thanks to my mother’s encouragement, I got to know everybody had his or her own _____ 14 _____ in the world. I felt proud of the role in the play. Finally, I acted out my role so _____ 15 _____ that my teacher was really surprised by what I had done.

- | | | | |
|---------------------|-------------------|----------------|--------------|
| 6. A. developed | B. discovered | C. disappeared | D. explained |
| 7. A. excitement | B. sadness | C. mistake | D. danger |
| 8. A. only | B. hardly | C. still | D. never |
| 9. A. unhealthy | B. harmful | C. common | D. beautiful |
| 10. A. looked into | B. looked up | C. looked for | D. looked at |
| 11. A. flowers | B. teachers | C. people | D. workers |
| 12. A. realized | B. remembered | C. promised | D. refused |
| 13. A. apology | B. truth | C. choice | D. warning |
| 14. A. prize | B. responsibility | C. value | D. interest |
| 15. A. successfully | B. luckily | C. carelessly | D. lonely |

【答案】6. C 7. B 8. A 9. D 10. D 11. C 12. A 13. B 14. C 15. A

【解析】这篇文章妈妈通过一件校园事件教育女儿的故事。女儿因为紧张而失去了在学校戏剧里面扮演公主的机会而去做一名解说者，妈妈通过花园里的每一株植物都有用处让女儿认识到世界上的每一个都有其存在的价值。

6. 句意：但一上台，我脑海里的每一个词都消失了。

developed 发展；discovered 发现；disappeared 消失，不见；explained 解释。根据空前“Then my teacher asked me to change my role to be a narrator (讲述者) for the play.”可知，作者在舞台上时，原本练习好的台词应该是从脑海里消失了，导致无法正常表演公主的角色，所以老师给她换了一个角色。故选 C。

7. 句意：尽管那天我没告诉妈妈发生了什么事，但她注意到了我的难过，还问我是否想去花园里散步。

excitement 兴奋; sadness 悲伤; mistake 错误; danger 危险。根据下文“that she had guessed my pain, I started to cry”可知，作者经历了在台上忘词、角色被换的事情，所以很难过。故选 B。

8. 句意：她说：“我想把这些野草都拔掉，从现在起，我们花园里就只种玫瑰了。”

only 仅仅，只; hardly 几乎不; still 仍然; never 从不。根据空前“I think I'll remove all these weeds (野草)”可知，妈妈说要除掉蒲公英这些野草后，那之后花园里就只会有玫瑰了。故选 A。

9. 句意：我说：“但我喜欢蒲公英，所有的花都是美丽的，哪怕是蒲公英。”

unhealthy 不健康的; harmful 有害的; common 普通的; beautiful 美丽的。根据空前“But I like dandelions”可知，作者表达自己喜欢蒲公英，并且认为所有的花都是美丽的。故选 D。

10. 句意：妈妈认真地看着我，说道：“是的，每一朵花都以自己的方式给人带来愉悦，不是吗？”

look into 调查，观察（深入探究某事物）; look up 查阅，向上看; look for 寻找; look at 看着。根据空后的“she asked thoughtfully.”可知，妈妈是严肃地看着作者，并询问作者。故选 D。

11. 句意：她说：“人和花是一样的。”

flowers 花; teachers 老师; people 人; workers 工人。根据空前“Yes. Every flower gives pleasure in its own way, doesn't it?”以及空前“And the same as”可知，妈妈前面把花作了类比，说每朵花都有自己的方式给人带来快乐，并且把花和人进行类比，说明人也和花一样各有特点。故选 C。

12. 句意：当我意识到她已经猜到了我的痛苦时，我哭了起来，并告诉了她真相。

realized 意识到; remembered 记得; promised 承诺; refused 拒绝。根据空后“she had guessed my pain”可知，作者突然明白妈妈猜到自己内心的痛苦。故选 A。

13. 句意：当我意识到她已经猜到了我的痛苦时，我哭了起来，并告诉了她真相。

apology 道歉; truth 真相; choice 选择; warning 警告。根据上文“Then my teacher asked me to change my role to be a narrator (讲述者) for the play.”以及空后“But you will be a wonderful narrator”可知，在意识到妈妈意识到自己的痛苦后，作者告诉了妈妈真相。故选 B。

14. 句意：多亏了妈妈的鼓励，我明白了每个人在这个世界上都有自己的价值。

prize 奖品; responsibility 责任; value 价值; interest 兴趣。根据空前“Thanks to my mother's encouragement”以及空后“I felt proud of the role in the play.”可知，在妈妈的鼓励下，作者明白了每个人都有自己存在的价值。故选 C。

15. 句意：最后，我把角色演绎得非常成功，老师对我的表现大为惊讶。

successfully 成功地; luckily 幸运地; carelessly 粗心地; lonely 孤独地。根据空前“I acted out my role”以及空后“my teacher was really surprised by what I had done.”可知，作者最后把讲述者的角色演绎很成功，以至于老师都对她的表现感到惊讶。故选 A。

十、阅读理解

A

Who is the most famous artist in the world? If not Leonardo da Vinci, it might be Pablo Picasso (毕加索).

Picasso (1881-1973) was one of the most famous artists of the 20th century. He had a talent for drawing.

Born in Spain, Picasso showed his talent at an early age. He first learned painting from his father, who was an art teacher. By the time he was 13, he could draw better than his father.

He could draw and paint just about anything, and in any style. He liked to try out new ideas. People put his life and art into different periods. One of his most famous periods was his Cubist period. Cubism is when an artist paints things, like a bottle, from many different angles (角度) all in the same picture. So, you see the front, the back and the sides of the bottle all at the same time. In a way, it is a bit like having x-ray (透视) eyes.

This new way of painting surprised the art world in the 20th century. Picasso has become an idol (偶像) to many artists nowadays. People say he helped us see the world in new ways.

So do you want to see the art of Picasso? On August 14th, an exhibition (展览) opened in Shanghai. It shows 103 of his works. The exhibition will last until October 31st. But it will not be available to the public on weekends. If you are fond of Picasso's work, don't miss this great chance!

1. Which of the sentence about Picasso is NOT true?

- A. He was one of the most famous artists of the 20th century.
- B. He could draw better than his father in 1890.
- C. He was born in Spain.
- D. His first teacher was his father.

2. What does the underlined word "Cubism" in Paragraph 4 mean?

- A. 立体派
- B. 印象派
- C. 现实主义
- D. 浪漫主义

3. What do people think of his new painting style?

- A. It made Picasso become hard to understand.
- B. The style is like having C-ray eyes.
- C. The style helped people see the world in new ways.
- D. The style was not popular in the art world.

4. How long will the exhibition last?

- A. About 4 months.
- B. Less than 2 months.

C. Over 3 months. D. Less than 3 months.

5. What is the purpose of this passage?

- A. To introduce Picasso and his life experience.
B. To introduce Picasso and call for people to the exhibition.
C. To show that Picasso still enjoys great popularity.
D. To show the biggest Picasso exhibition ever.

【答案】1. B 2. A 3. C 4. D 5. B

【解析】本文主要介绍了毕加索及毕加索的绘画风格，号召人们看画展。

1. 推理判断题。根据文中“Picasso (1881-1973) was one of the most famous artists of the 20th century.”及“By the time he was 13, he could draw better than his father.”可知，毕加索在他 13 岁的时候，画画超过了他的爸爸，他出生于 1881 年，13 岁的时候应为 1894 年，选项 B 错误。故选 B。

2. 词句猜测题。根据文中“Cubism is when an artist paints things, like a bottle, from many different angles all in the same picture. So, you see the front, the back and the sides of the bottle all at the same time. In a way, it is a bit like having x-ray eyes.”可知，在这种绘画形式下，你可以同时看到瓶子的正面、背面和侧面，强调物体的立体性，所以推测“Cubist”意思是“立体派”。故选 A。

3. 细节理解题。根据文中“This new way of painting surprised the art world in the 20th century.”及“People say he helped us see the world in new ways.”可知，人们认为新的绘画风格帮助人们以新的方式看待世界。故选 C。

4. 细节理解题。根据文中“On August 14th, an exhibition opened in Shanghai. It shows 103 of his works. The exhibition will last until October 31st.”可知，这次展览开始于 8 月 14 日，结束于 10 月 31 日，持续时间不超过三个月。故选 D。

5. 推理判断题。通读全文可知，本文主要介绍了毕加索及毕加索的绘画风格，并且号召人们看画展。选项 B“介绍毕加索，并邀请人们参观展览。”符合题意。故选 B。

B

① Throughout history, people have always looked for knowledge. This led to the creation of many important encyclopaedias.

Ancient Rome

② The earliest encyclopaedia on record is *Natural History* by Pliny. He wrote about his knowledge of ancient Rome. Although many of his writings were true, some were hard to believe, like the Sciapodae people with one foot as big as an umbrella! However, Pliny never finished improving his work because he went to Pompeii in 79 A. D. to visit Mount Vesuvius and died in the eruption (火山爆发).

Ancient China

③ From the 10th to the 17th centuries, the Chinese government asked many clever people to make encyclopaedias. In the 11th century, they wrote *Four Great Books of Song* to collect all the information about the new Song dynasty. In 1408, China completed *Yongle Encyclopaedia*. It was the largest encyclopaedia until Wikipedia came along about six hundred years later.

Enlightenment Ideas (启蒙思想)

④ When printing became common, encyclopaedias grew popular and important. During the Enlightenment, a famous encyclopaedia called *Encyclopédie* came out in France in 1751. Editor Diderot wanted it to “change the way people think” and help the rising middle class teach themselves. Also, the ideas in the book encouraged people to question the king's rule. This helped lay the cultural foundation (基础) for the French Revolution (法国大革命).

The Internet Age

⑤ As the world went online, knowledge grew, too. Internet encyclopaedias started in the early 1990s. By 2001, Wikipedia came out. In 2004, it became the biggest encyclopaedia with 300, 000 articles. By 2022, it had 6.5 million articles with pictures, videos, and more, making a lot of information easy to find online.

1. What was the earliest encyclopaedia on record?

- | | |
|-----------------------------|--------------------------------------|
| A. <i>Natural History</i> . | B. <i>Four Great Books of Song</i> . |
| C. <i>Encyclopédie</i> . | D. <i>Yongle Encyclopaedia</i> . |

2. What was the largest encyclopaedia worldwide in the early 1980s?

- | | |
|--------------------------------------|--------------------------------------|
| A. <i>Wikipedia</i> . | B. <i>Four Great Books of Song</i> . |
| C. <i>Encyclopaedia Britannica</i> . | D. <i>Yongle Encyclopaedia</i> . |

3. What can we infer from the fourth paragraph?

- A. French people were stupid at that time.
- B. *Encyclopédie* was an English encyclopaedia.
- C. *Encyclopédie* challenged the traditions of its time.
- D. The development of printing did not help people learn.

4. What can we learn from the history of encyclopaedias?

- A. People have never stopped looking for and sharing knowledge.
- B. Only intelligent and knowledgeable people can make encyclopaedias.
- C. Europe was the world's education centre over the past two thousand years.
- D. Europeans and Chinese could not exchange information until the Internet age.

5. Where can you most probably find this article?

A. From a story book.

B. From an art magazine.

C. From a newspaper.

D. From a learning website.

【答案】1. A 2. D 3. C 4. A 5. D

【解析】本文主要介绍了一些百科全书的发展历史。

1. 细节理解题。根据“The earliest encyclopaedia on record is *Natural History* by Pliny.”可知，最早的百科全书是《自然史》。故选 A。

2. 细节理解题。根据“In 1408, China completed *Yongle Encyclopaedia*. It was the largest encyclopaedia until *Wikipedia* came along about six hundred years later.”可知，直到维基百科出现之前，《永乐大典》是最大的百科全书。故选 D。

3. 推理判断题。根据“Editor Diderot wanted it to ‘change the way people think’ and help the rising middle class teach themselves. Also, the ideas in the book encouraged people to question the king's rule. This helped lay the cultural foundation (基础) for the French Revolution (法国大革命).”可知，大百科全书鼓励人们质疑国王的统治，表明其挑战了当时的传统。故选 C。

4. 主旨大意题。通读全文可知，本文主要讲了不论是东方还是西方，不论何种时代，人们一直都在编纂作为知识象征的百科全书，所以本文隐含的主旨是：人们从未停止对知识的追求。故选 A。

5. 推理判断题。通读全文可知，本文主要介绍了百科全书的发展历史，最这篇文章有可能出现在学习网站上。故选 D。
