九、语法选择

I'm having a great time on my exchange program in France. I was 1 nervous before I arrived here, but there was no reason to be. My host family is really nice.

They do their best 2 me feel at home. The grandmother has 3 teenage granddaughter about my age. She is really kind. She always 4 to me in French to help me practise. And you wouldn't believe how 5 my French has improved! I enjoy 6 French very much now. I still make lots of mistakes, 7 it doesn't worry me like it used to.

My 8 challenge is learning how to behave(表现) at the dinner table. As you can imagine, things are really 9 from the way they are at home. For example, you 10 put your bread on your plate. You should put 11 on the table! I thought that was pretty strange at first, but now I'm used to it. You shouldn't eat 12 with your hands except bread, not even fruit! You have to cut it up and eat it 13 a fork. Another thing is that it is not polite to say you're full. 14 you don't want any more food, you should just say, "It was delicious." Also, it's not polite to put your hands under the table. You should always 15 your hands, but not your elbows(肘部), on the table.

I have to say, I find it difficult to remember everything, but I'm slowly getting used to it. I don't find French customs so strange any more.

十、阅读理解。

It's reported that this year 2,300 teenagers from all over the world will spend about 10 months in US homes. At the same time about 1,300 American teenagers will go to other countries like Britain and Australia. They will learn new language and get a new understanding of the other parts of the world.

We set up a program called "Exchange for Better" to help the ones who want to be exchange students. Here is a two-way student exchange in action in our program. Fred spent last year in Germany with George's family. In return, George's son Mike spent a year in Fred's home in America.

Fred, a lively young man, knew little German when he arrived but after two months' study, the language began to come back to him. As for school, he said it was quite different from that in America. When the teacher went into the classroom, students all stood up. In the USA, students learn six subjects while in Germany they took fourteen. Outside activities aren't nearly organized.

The situation of family life was also different. The father's words were law. All activities were around the family. Germans regard their families as the center all the time.

America was well-known as a country on wheel(车轮). Almost every family has one or two cars. However, things are quite different in Germany. People like walking rather than driving.

Meanwhile, Mike, a German boy, also has his idea about the USA. "I have to say it's too easy to study in American schools. In Germany we did nothing but study. But in the USA, there are so many outside activities."

1. How many students are chosen to be exchange students according to the passage?

- A. 2,300. B. 1,300. C. 3,600. D. 4,000.

2. Where do the two exchange students come from?

- A. Canada and America. B. Germany and America.
C. Germany and Britain. D. America and Australia.

3. What are mentioned between Germany and USA?

- ①The school life ②The history ③Outside activities ④The family life

- A. ①②③ B. ①②④ C. ①③④ D. ②③④

4. Which of the following sentences is correct according to the passage?

- A. Germans think family is the most important.
B. Germans like to live in the center of the city.

- C. Germans like driving rather than walking in life.
- D. Germans think outside activities should come first.

5. Who might most possibly write this passage?

- A. A newspaper reporter.
- B. The exchange students.
- C. A teacher in this program.
- D. The exchange students' parents.

10. I _____ up at 6:30 every morning.

A. get B. got C. will get D. gets

13. —Mum, I want to watch the news about our school. Change the channel, please!

—What a pity! It is eight o'clock now. It _____ for a while.

- A. has been over B. was over C. has finished D. finished

【答案】A

【解析】句意：——妈妈，我想看我们学校的新闻。请换频道！——真遗憾！现在是八点钟。它已经结束一段时间了。

考查动词时态。has been over 已经结束了，现在完成时；was over 结束了，一般过去时；has finished 已经结束了，现在完成时；finished 结束，一般过去时。根据语境可知，学校新闻已经结束了，这件事对“现在不能观看了”产生了影响，故应为现在完成时，故排除 B、D 两项。另句中 for a while 表示一段时间，与现在完成时连用时，应用延续性动词，而动词 finish 为瞬时性动词，不能在现在完成时中与一段时间连用，故排除 C 项。be over 表示延续性动作，可在现在完成时中与时间段连用，即 has been over。故选 A。

—_____ five years ago.

A. When B. While C. Since D. For

【答案】C

考查词汇辨析。When 当……时；While 当……时；Since 自从；For 达，计。how long 提问的问句询问一段时间，用“for+时间段”或“since+时间点/从句/一段时间+ago”回答，“five years ago”是“一段时间+ago”，用 since。故选 C。

20. —Have you _____ visited the Great Wall?

—No, _____.

A. already; ever B. ever; never C. never; ever D. ever; yet

【答案】B

【解析】句意：——你曾经参观过长城吗？——没有，从来没有。

考查副词辨析。ever 曾经，用于否定句和疑问句中，放句中；already 早已，已经，用于肯定句中；never 从不；yet 仍，还，用于否定句中，用于句末。因为上句为疑问句，故可排除 A。又因为第二个空前为“No”，可推测空后要表达从没去过，即用 never。故选 B。

十、阅读理解。

It's reported that this year 2,300 teenagers from all over the world will spend about 10 months in US homes. At the same time about 1,300 American teenagers will go to other countries like Britain and Australia. They will learn new language and get a new understanding of the other parts of the world.

We set up a program called “Exchange for Better” to help the ones who want to be exchange students. Here is a two-way student exchange in action in our program. Fred spent last year in Germany with George’s family. In return, George’s son Mike spent a year in Fred’s home in America.

Fred, a lively young man, knew little German when he arrived but after two months’ study, the language began to come back to him. As for school, he said it was quite different from that in America. When the teacher went into the classroom, students all stood up. In the USA, students learn six subjects while in Germany they took fourteen. Outside activities aren’t nearly organized.

The situation of family life was also different. The father’s words were law. All activities were around the family. Germans regard their families as the center all the time.

America was well-known as a country on wheel(车轮). Almost every family has one or two cars. However, things are quite different in Germany. People like walking rather than driving.

Meanwhile, Mike, a German boy, also has his idea about the USA. “I have to say it’s too easy to study in American schools. In Germany we did nothing but study. But in the USA, there are so many outside activities.”
